Veterans Memorial Bridge and Subway Tour

CLEVELAND, (216) 348-3824
First we heard the rumor: Cleveland once built a subway way and the restaurant above it was slipping its gears down the stairs for midnight tours. As much fun as it might have been to sneak in, we're glad that twice a year, on the Saturdays before Memorial Day and Labor Day, anyone can take the county engineer's Veterans Memorial Bridge and Subway Tour. Walk the old streetcar line on the bridge's lower level and explore the subterranean station under West 25th Street. ■
